WARRANTY POLICY

For a period of one year from the date of installation, or 18 months from the date of manufacture, whichever comes first, all parts and assemblies are warranted as to workmanship and materials used in their manufacture. Any steam generator containing defective parts, if returned prepaid to an authorized service depot within one year or 18 month time limit, will be repaired free of charge, F.O.B. the authorized service depot making such repairs.

The company will not be responsible for any breakdown, damage, or losses, direct or indirect, arising in contract or in tort from any cause whatsoever, including corrosion and/or electrolysis, improper voltage supply, careless handling, or a buildup of minerals on the parts or assemblies for any reason or from any source; nor for transportation and/or other charges incurred in the replacement or repair of defective parts; and there are no warranties or conditions expressed or implied or otherwise applicable, to the company's products except as expressly stated herein.

WARRANTY IS VOID IF EITHER THE JR-3 OR THE JR-4 STEAM GENERATOR
IS USED IN A COMMERCIAL INSTALATION
